

Socks and Lace

A Wonderful Marriage

Join Andrea Jurgrau, from BadCatDesigns, for a sock workshop at Knitting Nation. Andrea will provide a workshop handout that includes the pattern and original charts. Techniques will include casting on to double pointed needles and working in the round, making a heel flap and turning a traditional heel, working the gusset and making a traditional wedge toe. There is no homework for the first class, but participants will need to work on their sock between sessions.

Materials are available at the shop, and yarn should be purchased prior to the first session so it is wound and ready to work with. You will need one skein of SapphireSox and one set (5) of US 2 needles (or size for gauge.) Gauge will be 7 stitches to the inch.
